About The MetroHealth System

Founded in 1837, MetroHealth is leading the way to a healthier you and a healthier community through service, teaching, discovery, and teamwork. Cuyahoga County's public, safety-net hospital system, MetroHealth meets people where they are, providing care through four hospitals, four emergency departments, and more than 20 health centers and 40 additional sites. Each day, our 8,000 employees focus on providing our community with equitable health care – through patient-focused research, access to care, and support services – that seeks to eradicate health disparities rooted in systematic barriers.

The Ripple Effect in Cleveland

Monday, March 20, 2023

Presented by:

 MetroHealth  CHC: CREATING HEALTHIER COMMUNITIES

Gone Too Soon

Like a comet
Blazing 'cross the evening sky
Gone too soon
Like a rainbow
Fading in the twinkling of an eye
Gone too soon
Shiny and sparkly
And splendidly bright
Here one day
Gone one night
Like the loss of sunlight
On a cloudy afternoon
Gone too soon
Like a castle
Built upon a sandy beach
Gone too soon
Like a perfect flower
That is just beyond your reach
Gone too soon
Born to amuse, to inspire, to delight
Here one day
Gone one night
Like a sunset
Dying with the rising of the moon
Gone too soon
Gone too soon
